

## CERTIFIED BIODYNAMIC AND ORGANIC DRY GOODS

### PRICE LIST

18th August 2017

Our goal is to make available the most wholesome of foods at city-competitive prices in the Grampians region.

To achieve this we must sell directly to you, our customers, without the the expense (or luxury!) of a conventional retail outlet.

We propose to meet you **ONCE A MONTH** at the Pomonal Village Market to deliver your pre-paid order of these special goods.

#### HOW DO I ORDER?

1. Email Anna at [anna@wildeslanefarm.com.au](mailto:anna@wildeslanefarm.com.au) or call/text her mobile 0413 388385.
2. Provide your name and contact details (including your mobile phone number) and place your order, quoting product code and item description.
3. Meet us at the Pomonal Village Market between 10am and 1pm, make your payment by eftpos or cash, and collect your lovely goods!

#### Please Note

Items on the price list are only available if they are in stock at our wholesalers at the time of ordering.

Prices may be subject to change without notice.

## CERTIFICATION

You will notice an abbreviation in the fourth column of the price list. This tells you the kind of certification that each product carries.

BD = Biodynamic/Demeter

BDIC = Biodynamic in Conversion

O = Certified Organic

The absence of an entry indicates that the finished product is not certified in its own right, but generally has been made with certified raw materials where possible.
